

BreckComp Program

The Blue River Underwriters' BreckComp Program delivers a competitive monoline Workers' Compensation solution for nearly 400 class codes available in most states.

Our underwriters specialize in this space and understand the challenges faced by agents searching for a smart option in what can be a tough class. With our significant binding authority and our responsive team, we are a long-term partner to many valued agents. We look forward to insuring those who help businesses succeed.
