

# Contractors Workers' Comp

## We know how to build-to-suit construction workers' compensation solutions.

Construction workers are the foundation of our economy. Having workers' compensation coverage suited to their unique skills and risk exposures is paramount. With our AM Best A Rated carrier and preferred paper, our experienced construction and comp underwriting team provide competitive monoline workers' comp solutions for nearly 80 construction infrastructure, artisan contractor and related commercial services classes. With additional access to carrier loss control resources and an in-house claims department familiar with contractors, Blue River Underwriters' Contractors Workers' Comp is a well-built solution for these insureds' needs.

### Classes:

- Nearly 80 eligible contractor class codes in infrastructure, artisans and related commercial services. Visit [blueriveruw.com/contractors-workers-comp](http://blueriveruw.com/contractors-workers-comp) to see the full list of construction classes eligible for this WC coverage.
